

M.V. Stake Young Men's Youth Program Training Resources 2019

Purpose: To motivate and instruct adult YM leaders on “Being with them”, “Connecting them with Heaven”, and “Letting them lead” in order to help young men be truly converted to the Gospel of Jesus Christ, prepared to be effective missionaries, righteous husbands and fathers, and to successfully fulfill their life's mission and duty to God.

- Wards are encouraged to continue their efforts to implement the “Mission Viejo Stake Young Men's Youth Program Guidelines” that were presented by the Stake YM's board in 2017. They were developed from the new Church directives, Handbook 2, Stake Presidency, Stake YM's Board, and Ward successes and best practices. They provide proven, practical ways to connect with the youth and accomplish the 1st Presidency's directive to YM adult leaders of, “Be With Them”, “Connect Them With Heaven”, and “Let Them Lead”.
